FOR BUSINESS**

# HELPING CORNISH BUSINESS GROW

The last 18 months have been challenging for business. The team at Konnect for Business will work alongside you to help you meet those challenges and develop an action plan for growth that is tailored to you.

## WE LISTEN TO YOU

Our first step is to hear what you have to say about your business today and your ambitions for the future.

## WE WORK WITH YOU

With a team of business experts from a range of backgrounds, we can offer knowledge, advice, and practical solutions. Our main aim is your success.

## WE ADAPT WITH YOU

We are there to help you through the stages of growth and continue on the path to success and revitalisation of your business.

With our expert team of business mentors we can give practical support across the range of business needs, from recruitment and retention, to growth and identifying new opportunities. We can work alongside you giving guidance on your business operations and we can provide training and inspiration for your team.

## SPECIALIST BUSINESS MENTORSHIP

We are currently offering bespoke mentoring to help Cornish businesses overcome barriers to growth. Working collaboratively with you, we will help to highlight those barriers, plan how to overcome them and help you to action the plan.

Our mentoring services focus on real world problem solving with practical solutions that will be tailored to your business and staff.
